

## Volunteer Role Specification

### Burslem Jubilee Project

After dangerous journeys, fleeing from war or persecution asylum seekers and refugees are sent or come to Stoke on Trent with few resources and are strangers in a strange land. At the Burslem Jubilee Project we are a helping hand and friend to help them settle into their new home.

We support their mental and physical well-being by providing English language classes and other education so that they can become skilled in managing in a strange culture. We provide social and leisure activities to help their integration within and for the benefit of the wider community.

We have fantastic volunteers who support us in a wide variety of ways, some working with our clients directly, others not. But all are important to our mission. We are looking for people to help us to make immense changes for people.
